

Easy Onboard

by  NathanHR

Technology Powered Local EOR

What is Easy Onboard?

Easy Onboard is a **technology-driven Local Employer of Record (EOR) solution** that helps companies in the UAE hire and manage talent with ease. We ensure **full compliance with UAE Labour Law and WPS requirements**, eliminating the complexity of employment administration.

With our UAE manpower license and proprietary EOR Central platform, we manage the entire employment lifecycle from visas and payroll to compliance and reporting.

We are ISO 9001:2015 and ISO 27001:2013 certified, with processes aligned to GDPR standards – giving you the confidence of global best practices in quality, compliance, and data security.
